

CONVERTIBLE IRONING STATION

With this revolutionary product, all you have to do is open the door, lower the board and you're ready to iron! No other folding ironing boards in the market even come close to the quality offered by Scanwolf's Convertible Ironing Station.

Now you don't have the hassle of looking for an empty space to set up your ironing board. This built-in ironing station is innovatively designed to save you space, so you can enjoy the freedom and ease of ironing.

Its sleek and contemporary design is suitable for any home. Plus, it is easy to install, and can double up as a smart storage for your ironing equipments, keeping them out of your way until you need them.
