

SW 810 Silver Aluminium Profile

SW 810 Antique Brown Aluminium Profile

High Pressure Laminate - HPL

SW 824 Wall Seal Profile

■ Easily removable foils that protect the profile surface from soiling and scratches during transit and installation.

■ The Wall Seal Profile is one of Scanwolf's latest innovations. They are extremely practical and come in a wide variety of designs. The colour of the Wall Seal Profile can be varied to match the HPL flexible top décor.
